High Holy Days

Important Information

Parking and Security

for the High Holy Days

Each year, congregants for High Holy Day services are greeted at The Temple by uniformed officers and professional parking attendants. Security this year will be provided through a combined effort of public and private personnel who are familiar with our Temple buildings and grounds. The usual procedures will be in place for security, traffic control and member safety. Please note the following very important items:

1. LEAVE FOR SERVICES 10-15 MINUTES EARLIER than usual in order to arrive in advance of service time. There are two entrances to The Temple. Drop-off is available at both for those who need it.
2. Overflow parking will be available on the Belle Meade Plantation property .
3. If you park at the Plantation, we ask that you enter by way of The Temple parking lot but exit only from the Belle Meade Plantation exit on Leake Avenue following services.
4. The Temple driveway will be one way during our largest services (see page 11). Please follow the posted signs that will direct you around the building. The traffic controllers will direct you as to where and how to park and exit. Your patience will be greatly appreciated!
5. Additional **disabled & elderly** parking will be available close to the building. Look for signs.
6. Please remember that our neighbors around us will likely be less critical of the traffic congestion if we park "on" the street rather than "in" their yards and/or driveways. **Over the past two years the Belle Meade Police Department has towed cars blocking city traffic during services. BE WARNED,** we cannot interrupt services to announce imminent towing.

Please ... Drive Slowly!

Do Not Park on the Grass!

Please Carpool ... Follow Directions!

A Reminder About Seating

Sanctuary, chapel and auditorium seating will be in place to accommodate over 1,200 members and guests to each of the services for the High Holy Days. As in the past, there are no tickets required for entry into the services, nor is there reserved seating.

We ask your cooperation through the direction of the ushers and staff in helping to maintain the dignity and decorum of our services. Please help them by adhering to a few simple but VERY IMPORTANT RULES:

1. **YOU MAY NOT SAVE SEATS IN THE SANCTUARY** except for the driver while he/she is parking. If you wish to sit together, you may gather in the foyer and enter together or you may save a few seats in the chapel or auditorium.
2. **PLEASE DO NOT LEAVE EMPTY SPACES BETWEEN YOU AND THE PERSON NEXT TO YOU!** It is critical that we fill ALL available seating so that everyone who wants to attend can be accommodated.
3. A special seating section will be available for the convenience of persons with physical disabilities.
4. **NO ONE MAY ENTER THE SANCTUARY, CHAPEL OR AUDITORIUM WHEN THE CONGREGATION IS STANDING.** The ushers and staff know when to seat latecomers. Entry will be through the auditorium and chapel doors only, so as not to disturb services in progress.
5. **PLEASE BE CONSIDERATE OF OTHERS WHILE WAITING IN THE FOYER PRIOR TO THE START OF THE NEXT SERVICE.** If you arrive early, we ask that you wait *quietly*. The noise from those waiting can easily be heard in the sanctuary. The speakers in the foyer area will enable you to listen to services in progress.
6. So that everyone is assured of having a PRAYERBOOK, kindly return yours to the ushers and staff in the lobby at the end of the service. **If you own a copy of the Gates of Repentance prayerbook, we encourage you to bring it.**

Some people find the temperature in the sanctuary can fluctuate during services. We recommend you bring a wrap or other garment to insure your comfort throughout services.
